Subject: 2011 Annual Firefighter Refresher

To: Attendees, Forest Dispatcher

On March 29, 2011, the White Mountain National Forest held an annual firefighter safety refresher at the Hubbard Brook Experimental Station in Thornton, New Hampshire. A total of 66 individuals attended the refresher. The training was conducted by White Mountain National Forest Service Fire Personnel.

The theme of the refresher was "Building True Safety" and covered topics including Fire Orders, Personal Protective Equipment, Lookouts, Incident Action Plan, Entrapment Avoidance, the 1984 Table Mountain Fire, and Lessons Learned: "Engine Rollover" and "It's Just a Grass Fire".

The refresher agenda and roster of attendees are enclosed.

A second refresher will be held at the WMNF Forest Headquarters on June 7, 2011.

Please contact John Neely at (603) 536-6261, or jneely@fs.fed.us if you have any question or comments regarding the refresher.
